## BACKUP ELECTRIC SUPPLY

Date : 1/3/22

The Institution has 82.5KVA diesel generator. The total set-up in the institution ensures the uninterrupted power supply to the institution for its various functions. Guru Raagavindra Polytechnic College is having their power back up (generators) unit rated 82.5 KVA for enough back up energy around 10 hours for entire load. The generators turned on and all the protected electric loads seamlessly transferred to the backup power system. Power outages can spell hindrance for an unprepared service facility. Guru Raagavindra Polytechnic College works to ensure that we have access to back up power to continue serving under any condition. The college is having good electricity supply from government. Three set of 5 KVA UPS system also available in the college for uninterrupted power supply to the lab.
