FIRST AID

The first Aid-room has all the necessary first Aid kit for giving immediate first-Aid treatment to sick and needy students and faculty members. The students with serious illness are immediately taken to any of the nearby hospitals and parents are informed immediately.

MEDICAL CARE CENTER

Health is the essential input for the development and improvement in the quality of Students life. Sustained efforts have been made by GRPC towards the provision of Health care facilities to the students to live a hale and healthy life.

The Health Center is here to help you develop a balanced approach to your well-being and guide you in incorporating healthy activities into your life.

The Health Center serves as an opportunity to maintain your health and increase your knowledge and awareness in the prevention of illness and injury.

The center provides first Aid to the Students round the Clock. In case of any emergency, the student is taken to the neighboring hospital which is 1km away from the College.

The Health Center provides timely, accessible, and confidential health care to the students. Goal of the health care team is to minimize the amount of time a student loses from class due to illness. Special Counseling is given to the students to have a fit body, mind and healthy environment. Being in good health is of the utmost importance to maintaining quality of life.

A Medical Officer Dr. E. THIRUMURUGAN is working for the past 14 years and he is offering services both for students and staff. He is visiting our college twice in a week from 3.00 to 5.00 p.m. His private clinic is located 5 km from College, which is used by our faculty and Staff daily without any consulting charge.
