AICTE No.F.No. TN/NDIP/2009-10/018/3990 dt.20.07.2009 TNGS MS. No. 178 dt.11.06.2009

Date : 1/3/22

SAFETY AND SECURITY MEASURES IN THE CAMPUS

The institute has full proof security arrangement. There has been emphasis on tight security system in the campus. All the entry and exit points are manned by well trained security guards. There is round the clock patrolling of the campus by guards. The borders of the campus are protected by high fencing barbed wires. CCTVs are positioned at all entrances and exits, primarily to complement the non-invasive security system. No one can enter without proper authorization and prior permission from the Principal.

Guru Raagavindra Polytechnic College has installed standard equipment for security measures and critical installations.

- A generator that serves the entire campus when the municipal electric supply fails.
- Students are not allowed to meet any unauthorized person. The identity of the visitors is properly verified before he/she meets his/her ward.
- Staff and students are requested to wear their identity cards to ease identification by security staff.
- Guru Raagavindra Polytechnic College also takes a strong stand against drug and alcohol abuse, along with a zero tolerance policy towards bullying. In addition to warden mentoring, a counsellor is available to assist troubled students.
- Common injuries and illnesses are handled in-house by a full-time doctor. Local police are also at hand in case of any unforeseen irregularities and respond quickly to contact.
- Fire-fighting equipment
